Dual citizenship: Hong Kong and the United Kingdom | <https://jadesiu.github.io>

EDUCATION

- 2016-21 **PhD in Economics**, University of Birmingham (UoB), supervised by Anindya Banerjee and Michael Henry
Passed without corrections
Distinction in taught modules: Econometrics, Macroeconomics, Microeconomics
Research interests: refugee economies, informal firms, informal trade, agricultural households
Fieldwork (Aug-Oct 2018):
Conducted census of 4000+ traders in 2 border towns between Kenya and Uganda.
Designed and conducted a survey with 800+ traders who were randomly drawn from the census.
- 2012-13 Master of Science in Economic Development and Policy Analysis, University of Nottingham

GRANTS AND AWARDS

- 2019 Research Excellence in Responsible Business Prize, Lloyds Banking Group Centre for Responsible Business, £200
- 2018 International Growth Centre (IGC), Small Projects Facility, £4510
- 2018 Economic and Social Research Council (ESRC), Overseas Fieldwork Funding, £4918
- 2016-19 ESRC, PhD studentship, fee waiver + stipend
- 2012-13 British Consulate General, Chevening Scholarship, fee waiver + stipend

RESEARCH ASSISTANCE

- 2019-current **Refugee Studies Centre, Department of International Development, University of Oxford** (Alexander Betts)
Assisted in the design and implementation of panel surveys of refugee and host households in Kenya. Analysing the data collected. Co-authoring reports and academic papers.
Fieldwork: Nairobi (May-Jul 2019), Kakuma Refugee Camp, Kenya (Aug-Oct 2019), Kalobeyei Settlement, Kenya (Oct-Nov 2019) *Co-authored report:* Sterck, O. Rodgers, C., Siu J., Stierna, M. F., and Betts, A. (2020). Cash Transfer Models and Debt in Kalobeyei Settlement (Oxford: RSC).
- 2018-20 **Institute of Applied Health Research, UoB** (Semira Manaseki-Holland, Sami Bensassi)
Designed a questionnaire for a large-scale RCT in urban and rural Mali to evaluate the impact of a community-level hygiene intervention on children's outcomes (diarrhoea and ARI incidences, stunting). Previously evaluated a community-level weaning food hygiene intervention implemented in The Gambia.
- 2017-19 **Department of Management, Birmingham Business School** (Liza Jabbour)
Evaluated the impact of a training programme on the employment and education status of homeless young people. Combined participants' data with administrative data, and conducted a cost-benefit analysis.
- 2018 **Humanitarian Policy Group, Overseas Development Institute**
Assisted in designing 2 household surveys (refugee camps in Uganda and flood-affected areas in Nepal) under the project 'The tip of the iceberg? Understanding non-traditional sources of aid financing'.

WORKING PAPERS

- Siu, J. (2020). Formalising informal cross-border trade: Evidence from One-Stop-Border-Posts in Uganda. Discussion Papers 20-08, Department of Economics, University of Birmingham.

SELECTED WORK IN PROGRESS

The Freedom to Choose: Theory and Quasi-Experimental Evidence on Cash Transfer Restrictions (with O. Sterck)

Evaluates the relative impact of unrestricted and restricted cash transfer on beneficiaries in a refugee camp in Kenya.

Quantifying the different shades of informal trade (with S. Bensassi)

Highlights efforts by both governments and researchers to quantify informal trade. This will be a chapter in the Routledge Handbook of Smuggling, edited by Max Gallien and Florian Weigand.

The cost-effectiveness of a weaning-food safety and hygiene programme (with L. Jackson, S. Bensassi, S. Burn, B. Manjang and S. Manaseki-Holland)

Evaluates the cost-effectiveness of a community-level weaning food hygiene intervention implemented in The Gambia. Using data collected in a c-RCT.

CONFERENCE PRESENTATIONS

- 2020 Pacific Conference for Development Economics (PacDev) 2020, CEGA
2019 Centre for the Study of African Economies Conference, University of Oxford
Birmingham Business School Doctoral Conference, University of Birmingham
2018 Sustainability and Development Conference, University of Michigan
Disruptive Innovations, Value Chains and Rural Development, World Bank
Birmingham Business School Doctoral Conference, University of Birmingham
Agricultural Economics Society Annual Conference, University of Warwick
Centre for the Study of African Economies Conference, University of Oxford

TEACHING ASSISTANCE

Department of International Development, University of Oxford

- 2020-21 Methods in Social Research (Quantitative), MSc Migration Studies
2020-21 Research Methods (Quantitative), MSc Refugee and Forced Migration Studies

Department of Economics, University of Birmingham

- 2019 Spring Econometrics with Development Applications, Postgraduate
2019 Spring Advanced Business Economics (International Trade), Undergraduate Year 3
2017-18 Development Economics, Undergraduate Year 2

SERVICE

Referee service: World Development, ESRC Impact Acceleration funding, Civil Wars

Committee member of: ESRC Impact Acceleration Accounts Peer Review College, Athena Scientific Women's Academic Network working group, Birmingham Business School Doctoral Conference 2019, Birmingham Environment for Academic Research Postgraduate Research Conference 2019, ESRC Midlands Graduate School Conference 2017

NON-ACADEMIC WORK EXPERIENCE

- 2015-16 **Consultant, Saana Consulting Ltd**, London
- Project lead of the All-Party Parliamentary Group Inquiry into the UK's role in facilitating African trade. Analysed the implications of Brexit for UK-Africa trade relations.
 - Conducted quantitative analysis to support trade-related consultancy projects and bids, e.g. the evaluation of WTO Trade-Related Technical Assistance. Analysed data on training outcomes provided by the WTO.
 - Wrote trade policy briefings for parliamentarians.
 - Managed high-level events on trade policy issues, e.g. a roundtable at the British High Commissioner's residence in Lusaka, Zambia, and an AfDB Annual Meetings Official Side Event in Lusaka.
- 2014-15 **Research Analyst, Accenture**, London
- 2013-14 **Research Assistant, Accenture**, London
- Produced quantitative analysis to support consultancy and research projects, e.g. evaluated Papua New Guinea's National Malaria Control Strategic Plan.
 - Conducted qualitative research, including interviewing experts and designing surveys, e.g. co-authored a publication 'Guarding and Growing Personal Data Value', a research project based on a global survey of business leaders.
 - Produced world economic outlook reports and briefings for senior management. Produced government policy briefings used by Accenture Leadership at the World Economic Forum.
 - Provided consultancy services to NGOs and social enterprises. Produced market sizing, organisation and trend analysis to evaluate management structures, new outreach areas and products for NGOs.
- 2013 **Temporary Survey Analyst, ECA International**, London
- Coded survey responses and collected rent values worldwide to construct a cost of living index.
- 2011-12 **Global Management Trainee, UNIQLO Co., Ltd.**, Tokyo
- Led and trained staff in a mega-store; was trained in the retail operations at a management level.
- 2010 **Intern, Pacific Chambers**, Hong Kong
- Assisted a barrister-at-law in interviewing a Convention Against Torture claimant.
